Credentialed Elders No new credentialed Elders to seat today.

Question(s) to ask the Lord tonight – Brother Brian opened the floor to anyone who wanted to share in informal discussion regarding the four questions narrowed from yesterday’s afternoon discussion.

Council from Marlin Guin from Saturday April 1, 2023 was read and distributed, considered, and discussed.

After much discussion, a vote was taken as to which of 5 questions (one being added to yesterday’s four) should be asked of the Lord by the Body tonight. Each member(not just elders) permitted to vote for a first and second choice of the five. Votes were cast for all five questions, but the following question received an overwhelming majority of the votes. Those casting votes for other questions were asked whether they could consent without objection to this question. Unanimous consent was reached to bring this question to the Lord tonight.

Father, remove the scales of darkness from our eyes. We don’t know how to move forward. What would you have us do?

The meeting was adjourned at 11:37am with a prayer by Paul Gage
