THE KIRTLAND MESSAGE; September 2022. The full, testimony is on the CRE website at eldersconference.org. The actual message was as follows

I say unto you, listen to me.

There are two stewardships that will ensure success if you will do them.

1) As the five wise virgins did in the parable of the last days, ‘Gather and sanctify your oil, before the cry at midnight’. Prepare yourself through scripture, prayer, fasting, and humble service. You must take the Holy Spirit as a guide in all things that you do in your life.

2) Be willing to remove all barriers and hindrances to the achievement of Zion. You must become one. This would include the groups and associations you have formed, and the responsibilities that you carry. Needful things will be restored. All else is inconsequential.

I give unto you two years to implement these stewardships. **Then**, if you are obedient, I will give you the things which are to follow. The two years would be by the same time of year as this Assembly.

Dear Saints, We are now one month from the end of the two years. Are you ready?
